

# HARBOUR WASTE MANAGEMENT QUESTIONS 2016

If your survey unit is in a harbour, marina or includes a slipway/pier which is in use then this form should help assess waste management needs and state. Use one survey form for the whole harbour unless it is divided into distinct zones, where 1/zone is best. Check Coastwatch website [www.coastwatch.org](http://www.coastwatch.org) for more harbour information including EU law. Urgent query phone 086 8111 684.

1. Harbour/pier Name: \_\_\_\_\_ covering survey unit(s):

2. This report refers to:  the whole harbour/pier  part called: \_\_\_\_\_

3. Harbour use - please try to find out all ships/boats using it, who may wish to get rid of waste or oil and ✓

- Cargo  Fishing  Aquaculture  Military  Ferry  Cruise Liner  Yachting  Rowing
- Angling  Other \_\_\_\_\_

Is there any use of the harbour/pier which might generate waste? If yes, please tick and ideally list or give e.g.:

Industrial \_\_\_\_\_
