

Coastwatch

# Autumn Shore Survey

## Sept 15<sup>th</sup> to Oct 15<sup>th</sup> 2022

[www.coastwatch.org](http://www.coastwatch.org)

We would be delighted if you would join us to check what is happening on the shore.

Check 500m of shore at low tide for key animals, plants, litter. Note issues, test inflows, say what is special and awful.

Then report back so we pull all the information together and create a snapshot of our coast - like a big shore jigsaw in maps, quotes, charts and photos for our Dec 22 event.

Coastwatch is hosted in Civil, Struct. and Environmental Engineering, TCD, Dublin 2, Ireland. Contact us: [survey@coastwatch.org](mailto:survey@coastwatch.org)
